Contractors Required to File This Report: Child Care and Development contractors operating Centers (Public and Private), Campus or Migrant Programs.

Report Deadlines: Reports must be submitted in accordance with the Child Care and Development contract Funding Terms and Conditions (FT & C) and Program Requirements. Monthly reporting is required by contractors who are on Conditional or Provisional status. All other contractors shall submit reports according to the timelines listed below:

<u>Period Ending</u>	<u>DUE to be RECEIVED in CDFS (NOT POSTMARKED)</u>
September 30	October 20
December 31	January 20
March 31	April 20
June 30	July 20

To be valid, a report must be complete and signed. (Please note that only original signatures are acceptable.) Invalid reports or reports not received in the Child Development Fiscal Services Unit by the 20th of the month following the end of the reporting period will be deemed delinquent and all subsequent apportionments will be withheld until reporting requirements have been met.

How This Report is Filed: The submission of the report is the responsibility of the contractor. The principal administrative officer may delegate responsibility for completion of the report to staff members, but the agency's Board is responsible for the accurate and timely completion of the report. The agency designee **must sign** the report, and it must be **received** by the Child Development Fiscal Services Unit on or before the due date.

INSTRUCTIONS

Use only Columns B, C, D, and E for the first report of the fiscal year. Column A remains blank. Beginning with the second report, Column C of the previous report is entered in Column A. Adjustments should be made in Column A and reasons for the adjustments stated in the Comments Section or on a separate sheet of paper.

DO NOT USE NEGATIVE FIGURES IN ANY OF THE COLUMNS. Column B **must** show the total for the current reporting period only. Column C is the total of Columns A and B. Compute Column E by multiplying Column C by the corresponding "adjustment factor" shown in Column D.

SECTION I – CERTIFIED CHILDREN: Report only information about children who have been certified as eligible for California Department of Education subsidized services. A family is considered to be enrolled in the program when the application and certification forms have been completed, information has been verified, and forms have been signed. Noncertified children in the program will be reported in Section II.

DAYS OF ENROLLMENT – The enrollment data from the contractor's enrollment and attendance register, totaled for all children in the program for the days the contractor is open to provide services. Enter for each category the number of children enrolled for that category. A child enrolled under 4 hours is considered half-time. A child enrolled 4 hours to under 6.5 hours is considered three-quarters-time. A child enrolled 6.5 hours to under 10.5 hours is considered full-time. A child enrolled 10.5 hours and over is considered full-time-plus.

NOTE: "Infants" placed in Family Child Care Homes (FCCH) from center-based programs are reported in a separate FCCH infants category. Any other FCCH children should be placed in the appropriate category.

NOTE: the category "Limited and Non-English Proficient" is **only** for children 2 years of age through kindergarten age.

DAYS OF OPERATION – A day of operation is a day the contractor provided subsidized child care and development services for one or more subsidized families enrolled. Contractors should note the reasons for any deviation between the actual days of operation and contract days of operation.

DAYS OF ATTENDANCE – A child is in attendance when he or she is present in the program for any part of a day or when he or she is absent because of illness or quarantine, illness or quarantine of the parent, family emergency, court-ordered visitation, or a reason which is clearly in the best interest of the child. This number must be equal to or less than the Days of Enrollment.

NO NONCERTIFIED CHILDREN -- If your program only serves certified children, you may omit completion and submission of Section II for noncertified children enrollment by checking this box. If this box is not checked, you must submit Section II or this report will be considered incomplete and delinquent.

Section II – NONCERTIFIED CHILDREN: Report all children who are supported by other than California Department of Education contract payments, but are served at the same site(s) as certified children.

INSTRUCTIONS

SECTION III – REVENUE: Report all revenue for the program in which certified children are enrolled, including revenue from non-subsidized portions of the program. Do not report Child Development contract payments received from the California Department of Education.

CHILD CARE FOOD/NATIONAL SCHOOL LUNCH – Revenue received from Child Nutrition and Food Distribution Division deposited in the Child Development Fund.

RESTRICTED INCOME FOR OPERATING COSTS – Report income received when the donor restricts the use of the funds for goods, services, or other operating costs reimbursable by the California Department of Education in the current program year. Report here any fees collected for field trips.

MAINTENANCE OF EFFORT – Report Maintenance of Effort funds received by the program, which are restricted for child care operating costs, in the current fiscal year. Do not report non-restricted Maintenance of Effort funds here; report them under “Other Income.”

TRANSFER FROM RESERVE FUND – Report the amount of funds transferred from the reserve fund and used for reimbursable allowable expenses. Be sure to include corresponding expenses in Section IV.

FAMILY FEES FOR CERTIFIED CHILDREN – Report here only family fees collected for certified children being served under this contract. Parent fees for noncertified children should be reported under “Non-restricted Income.”

INTEREST EARNED ON CHILD DEVELOPMENT CONTRACT PAYMENTS – Report only interest earned on payments advanced for this contract. Interest earned on non-contract funds should be reported under “Other Income.”

SECTION IV – EXPENSES: Report all expenses for both certified and noncertified children.

Title 5, Section 18063 regulations require that “Contractors shall report all expenditures on an accrual basis.” Report costs as they occur rather than when they are actually paid.

DIRECT PAYMENTS TO PROVIDERS (FCCH only) – Report provider payments here ONLY if you have a Center-based contract that also places children in Family Child Care Homes.

1000 CERTIFICATED SALARIES – “Certificated” salaries are those paid to employees in positions that require a credential or permit issued by the Commission on Teacher Credentialing, or a related Administrative Services Credential. (Refer to FT & C for staffing qualifications.)

2000 CLASSIFIED SALARIES – All other salaries that are not certificated.

EQUIPMENT – As specified in the “Funding Terms & Conditions” (FT & C), purchases for both new and replacement equipment may require prior written approval by the California Department of Education, Child Development Division. Equipment purchases that are not reimbursable should be reported under “Nonreimbursable Expenses.”

DEPRECIATION OR USE ALLOWANCE – See the FT & C for information on calculations.

START-UP (service level exemption) – Contractors that are eligible to claim expenses will have a start-up/service level exemption allowance specified on the face sheet of their contract.

START-UP/CLOSE-DOWN EXPENSES – Migrant contractors operating on a seasonal basis may claim both start-up and close-down expenses.

INDIRECT COSTS – Compute this amount only if you have a written cost allocation plan and only if the indirect cost directly benefits the child development program. Indicate indirect cost rate used. Note that an indirect cost rate may only be applied against reimbursable expenses in budget categories 1000-5000; refer to the FT & C. Rates are subject to audit verification.

NONREIMBURSABLE EXPENSES – Report all nonreimbursable expenses (see the FT & C) for the program. Include accrued nonreimbursable liabilities (but not encumbrances).

ADMINISTRATIVE COST – Costs not related to the direct provision of services to children. For example, administrative costs would include such things as the cost of the position (or portion of a position) responsible for personnel management, budgeting and/or accounting; the cost of the position (or portion of a position) responsible for completion of the annual contract renewal certification; and the costs (including indirect costs) related to these positions.

Comments: Provide any information that will assist in understanding unusual circumstances that are reflected in your report, and any changes made to cumulative prior period data. Changes in days of operation, variations in enrollment or attendance, and delays in expenditures are some items that require explanations.

When a correction is necessary, an amended report is not required (except for the June final). Adjustments should be made by reporting the corrected figures in Column A (prior period) of the next report to be filed. **DO NOT USE NEGATIVE FIGURES IN ANY OF THE COLUMNS.** Note in the Comments section that the data in Column A reflect changes from prior reports, so it will be clear that the current data are correct and not a mistake in copying the data from Column C of the prior report. When an amended report is submitted, all pages are required (including an original signature).
